EXPERIENCE

INTELLIGENCE WRITING ANALYST (CONTRACT)

Mercor – Remote *Sep 2025 – Jan 2026*
Reason for Leaving: Contract was successfully completed.

- Evaluated AI responses in creative and technical writing by providing detailed feedback to improve responses.
- Designed specialized prompts to train AI in technical writing best practices.
- Reviewed AI-built websites for quality, functionality, and accuracy to user requests, ensuring high standards in automated deliverables.

TECHNICAL WRITER (CONTRACT)

Humes Consulting Services LLC – Taylorsville, UT *Sep 2025 – Dec 2025*
Reason for Leaving: Contract was successfully completed.

- Analyzed and revised 30+ cybersecurity policies to ensure compliance with industry standards.
- Developed standardized templates to publish quality, consistent documentation.
- Drafted process flows in Visio to establish a clear standard procedure for processing contractors.

PROCESS TECHNICAL WRITER

Pantheon Data – Remote *Apr 2025 – May 2025*
Reason for Leaving: Navy cancelled the project and the team was eliminated.

- Prepared to support Chief Naval Personnel and BBA.
- Trained in building websites using Salesforce and diagramming in Lucidchart.

TECHNICAL WRITER

Pharma Resource Group – Remote *Feb 2023 – Feb 2025*
Reason for Leaving: Contract was successfully completed.

- Overhauled client documentation including SOPs, WIs, job aids, and forms, incorporating supervisor and subject matter expert feedback to meet stringent quality standards for multiple process groups.
- Managed multiple departments' document flow and advised management of their progress and roadblocks.

TECHNICAL WRITER (CONTRACT)

Thermo Fisher Scientific – Logan, UT *Apr 2021 – Dec 2022*
Reason for Leaving: Contract was successfully completed.

- Authored and maintained essential manufacturing documentation, including work instructions, form control documents, troubleshooting guides, flowcharts, and process qualification forms for in-house manufacturing processes.
- Created troubleshooting and general machine maintenance videos to assist maintenance crews across the world.

TECHNICAL WRITER (CONTRACT)

Medical Informatics Engineering – Remote *Aug 2020 – Apr 2021*
Reason for Leaving: Contract was successfully completed.

- Produced instructional videos to highlight basic and complex software use.
- Revised and maintained current documentation.

DOCUMENTATION SPECIALIST

Vexcel Imaging (formerly Geomni) – Lehi, UT *Apr 2018 – Jul 2020*
Reason for Leaving: Position was eliminated.

- Created user guides for new customer front-facing software and other customer-facing documentation.
- Prepared technical documents for internal stakeholders and external customers using ZenDesk, Confluence, and JIRA.
- Constructed automated emails, API documentation, white papers, and certification programs.
- Created the first quick start guides for easy reference and instruction.
